Confirmation of in-service training: Qiniso Mangoba Mngomezulu

Belgium Campus iTiversity confirms that Qiniso Mangoba Mngomezulu (id no. [REDACTED]) is a registered student and enrolled for the experiential learning year of the Bachelor of Computing (NQF level 8), SAQA ID: 62689, during the 2026 academic year.

All academic modules for this qualification have been successfully completed on NQF level 5, 6 and 7.

During the final year (2026) the student must complete 12 months of in-service training at an IT company to fulfil the requirements for experiential learning that form part of this qualification. The student will also need to complete a dissertation during this period.
